future of RRR
Legal Practice***

OVERVIEW OF THE PROGRAM

- A partnership program with Charles Darwin

“The placement has been very beneficial to me and I feel I have gained not only a better grasp on family law, but also a grasp on legal practice in general.”

HRCLS Clinical Placement Clip

“Overall my experience at HRCLS has been an invaluable experience that I would love to complete again. I definitely was not ready to leave just yet. I loved every minute of my work experience from sitting in with clients, typing documents, attending information sessions, talking with lawyers to attending court.”

FEATURES OF THE PROGRAM

- How it works
- Empowerment
- Inclusive team approach
- Collaboration

“These two weeks saw an opportunity to be exposed to a mere glimpse of legal life... It provided the first opportunity to believe that there was a potential future in law for me. The HRCLS went out of their way to provide a diverse and inclusive experience, in a supportive environment, and I will certainly be back for more if given the opportunity in the future.”

HOW THE PROGRAM PREPARES STUDENTS FOR CAREERS IN RRR AREAS

“I never thought I would be interested in this area and am now a convert. I’ll enrol in family law next year and when I graduate the following year, will return to Albury.”

Sarah Caplice - scaplice@umfc.com.au

“I have a much better idea now of what area of law I would like to work in...My time in Albury/Wodonga has been great. I’ve learnt a lot and met some fantastic people.”

“This has been the most amazing experience. I have been in a legal office most of my life but this experience has been the most interesting by far. From the clients I met, to the people who mentored and worked with me, it has been absolutely awesome. I feel I have come away learning so much and very valuable learning experiences.”
