We provide culturally sensitive legal advice, assistance, representation, and support to Aboriginal and Torres Strait Islander people in Top End communities who have experienced domestic, family, and sexual violence.

We offer the unique opportunity to work collaboratively alongside client support officers and case workers, which are Aboriginal and Torres Strait Islander identified roles, to ensure that our service is culturally safe and holistic.

This holistic and culturally appropriate model of service sets us apart; seeking practical community-based solutions to the most complex legal problems.
