Senior Family Lawyer

Are you committed to ensuring access to justice for those who fall through the cracks? Do you want to see real and tangible results for your efforts as an advocate? We have a compelling opportunity for you to make a difference from within an innovative health justice partnership, located in St Kilda.

About First Step Legal

First Step Legal (FSL) was established in 2008 as a Health Justice Partnership (HJP) within First Step, a not-for-profit mental health and addiction clinic in St Kilda. FSL only receives referrals from its health, housing and community service partners; its pro-bono legal advice, casework and representation is focused on clients who are genuinely engaged or wanting to be engaged in treatment, recovery, and therapeutic interventions that will support their ongoing wellbeing.

FSL is NAS-accredited, a member of the Federation of Community Legal Centres, and reaches the most marginalised and vulnerable in the community via its partnerships with five organisations: the First Step Program, Windana Residential Rehabilitation, Alfred Health (St Kilda Road Outpatient Clinic), Better Health Network, and Launch Housing across South Melbourne and East St Kilda.

About the Role

As FSL's Senior Family Lawyer, you will lead the family law practice across all five partnerships and provide supervision to one other family lawyer who holds a restricted practising certificate. You will provide advice and representation in all areas of family law including divorce applications, parenting and property negotiation, FDR and litigation. You will also provide advice and representation in Family Violence Intervention Order matters for both Affected Family Members and Respondents.

Significantly, FSL has received funding under the National Partnership in Domestic, Family and Sexual Violence Response to design and deliver a specialist legal program aimed at men who use family violence. Centred around our core objectives of safety, wellbeing and accountability, this program is known as SWAP.

As part of SWAP, your family law and family violence skills will be leveraged as part of an interdisciplinary team including a criminal lawyer, social worker and financial counsellor, as well as our partner professionals, to strengthen the web of accountability for men who use family violence.

Please see the attached position description. FSL is open to candidates seeking full-time or part-time employment in this role.
