

POSITION DESCRIPTION

Lawyer

Allied Justice is a for-purpose organisation providing free legal assistance, integrated services and community legal education.

When people experience deep and persistent disadvantages, they often feel trapped in dysfunctional relationships, lost in complex inefficient legal systems, unnecessary processes, and often suffering in silence. We are at the front line of these issues.

We have invested significantly in the development of our new Strategy 2025-2027 to ensure our organisation is providing contemporary integrated services to respond the shared and unique needs of the people we support across 11 local government areas in Western Victoria.

Our commitment is to change life stories through better access to justice, and we achieve this by applying our values – respect, courage, empowerment & kindness – to the people of the communities we serve, our stakeholders and our colleagues.

By providing legal services, community legal education, law reform and integrated services through client centered, trauma informed and culturally safe practice, we will improve the safety and wellbeing of families and individuals.
